

## **Banks & Leasing Companies**

### **Strengthen your customer ties while keeping an eye on your credit risks**

Amendments to laws, strengthening of the equity ratio, protection from risky credits and strong competition for new customers are only some of the factors which place a burden on many banks and leasing companies. In order to provide you with optimum support, we have divided our services into four areas of expertise:

#### **Risk & Compliance**

With our support, you can reduce your operational risks and increase your efficiency.

#### **Process & Performance**

We support you in the development and implementation of more effective and efficient business processes.

#### **Customer Centricity**

You benefit from increasing customer satisfaction, additional new customers and long-term customer loyalty.

#### **Process Outsourcing**

With flexible, requirements-oriented management of complex business processes, we relieve you of costs and assist you in achieving better results.
