

Event place: Fairgrounds Hannover/ Germany

Date: Tuesday, November 14, 2017 - 09:00 to Saturday, November 18, 2017 - 18:00

Agritechnica is unique among all exhibitions of agricultural machinery and equipment. This is where all the agricultural machinery companies operating throughout Europe and globally are represented directly. Agritechnica offers altogether the most comprehensive and broad-based exhibition programme for arable farming and plant production.

The Preview Days for the agricultural machinery trade, top investors and the trade press will be on 12 + 13 November 2017.
